SUPPLEMENT

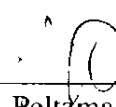

Roane County Board of Education ("Roane County"), by its attorneys, hereby supplements its November 21, 2003 Petition for Rulemaking to amend the Commission's Table of Allotments by amending Section 73.202(b) of rules to reserve vacant Channel 264A at the community of Arnoldsburg, West Virginia as a noncommercial educational ("NCE") allotment. The purpose of this Supplement is to make it explicitly clear that, in the event that the Commission reserves vacant Channel 264A at Arnoldsburg, West Virginia as an NCE allotment, Roane County will file an application for that allotment and, if that application is granted, will construct its station immediately.

Roane County respectfully requests that the Commission consider this Supplement in connection with its Petition for Rulemaking in this proceeding.

Respectfully submitted,

ROANE COUNTY BOARD OF EDUCATION
